Consent Form

I have read the CLSA Participant Information Package for the Proxy Decision Maker and Proxy Information Provider Contact and I understand it.

I have had a chance to ask questions about designating a proxy decision maker and proxy information provider, and all my questions have been answered.

I understand that at any time I can change the choices I make today about my proxy decision maker and proxy information provider, and how I would like to take part in the CLSA in the future.

Below, we have provided you with several options that allow you to continue to take part in the CLSA, should you be unable, in the future, to do so on your own. Please check ☒ the options you would like to use.

Should I become unable to take part in the CLSA on my own:
